Re: Hankins, Adam Loren**December 1, 2020****Page 2**

On November 16, 2020, Mr. Hankins appeared at Pioneer Human Services for the purpose of submitting to a random urinalysis test. The sample tested presumptive positive for methamphetamine. Mr. Hankins denied any use of controlled substances since his last admitted use of methamphetamine on November 9, 2020 (see petition filed on November 12, 2020).

A lab report has been received for the November 16, 2020, urinalysis which confirmed a positive presence for methamphetamine. This is not consistent with a last reported use of November 9, 2020.

- 6 **Special Condition #20:** You shall complete an anger management and mental health evaluation and counseling as directed by the supervision officer.

Supporting Evidence: It is alleged that Mr. Hankins violated the terms of his supervised release by failing to attend mental health counseling on or about November 20, 2020.

On June 19, 2019, supervision commenced in this matter. That same day, Mr. Hankins reported to the United States Probation Office for the purposes of a supervision intake. The judgment was reviewed with Mr. Hankins and he acknowledged an understanding of the conditions imposed by the Court, to include above-noted special condition number 20.

On July 18, 2019, Mr. Hankins completed a substance abuse evaluation with Pioneer Human Services (PHS). As a result, he was enrolled in outpatient services. However, approximately 3 weeks later, Mr. Hankins expressed concern over a perceived threat by another client at PHS. Mr. Hankins was approved to seek treatment services elsewhere. On August 28, 2019, he completed an evaluation for dual diagnosis services with a private agency, Live Well Counseling. He has since been engaged in services with Live Well Counseling.

On October 27, 2020, the undersigned made contact with Mr. Hankins' counselor with Live Well Counseling and was advised that on August 5, 2020, Mr. Hankins was scheduled for a treatment session. A reminder telephone call was placed to Mr. Hankins on August 4, 2020, in which he confirmed his appointment for August 5, 2020. However, Mr. Hankins failed to attend his appointment on August 5, 2020.

Mr. Hankins had since made contact with his mental health provider at the direction of the undersigned. He was then scheduled to attend a mental health session on November 20, 2020, to become re-engaged in services.

Mr. Hankins failed to attend his appointment on November 20, 2020.

- 7 **Special Condition # 14:** You shall undergo a substance abuse evaluation and, if indicated by a licensed/certified treatment provider, enter into and successfully complete as approved substance abuse treatment program, which could include inpatient treatment and aftercare. You shall contribute to the cost of treatment according to your ability to pay. You shall allow full reciprocal disclosure between the supervising officer and treatment provider.

Supporting Evidence: It is alleged that Mr. Hankins violated the terms of his supervised release by failing to attend a substance abuse counseling admission appointment on or about November 24, 2020.
